PrimeDisc

7" VINYL LABELS SMALL HOLE
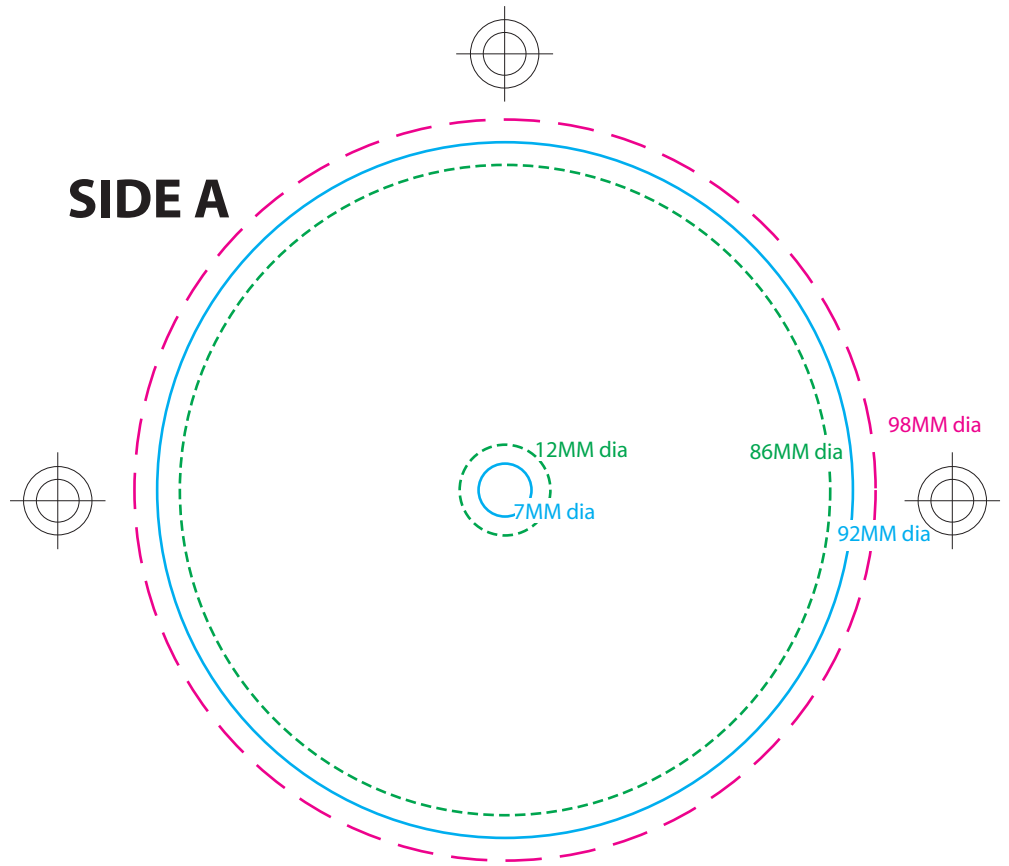

STANDARD MATERIAL

140g Wood-free Printing Paper

TEMPLATE KEY

BLEED — — —
CUT ——————
SAFETY - - - - - - -

- Layer in file should NOT be flattened and art must be on a separate layer from template

- All text/important images should be within the green safety lines or else they may be trimmed off.

- All images should be embedded or links supplied.

- All fonts should be outlined or files supplied.

- Native design files are preferred but PDFs are acceptable so long as they are high-resolution, press-ready, images/fonts embedded, and template layer is turned off.
